Hey Dr. Grabowski,

Hope all is well.

Dr. Koon asked me to writeup the events surrounding our patient L.O. from a few weeks ago.

I asked him today for some feedback and he asked that I contact you directly so I can better understand the situation.

I know you're busy, but if you could provide me with your thoughts that would be very much appreciated.

Thanks,  
Afraaz

PS How is Ms. O doing? Did her RLE pain ever resolve?

Hey Wood,

Dr. Koon asked me to writeup the events surrounding the haemophiliac patient. He said he forwarded it to you and asked for a response from you.

He said to contact you directly for your feedback/writeup to eliminate the middle man. Do you mind forwarding me your writeup/feedback/comments so I can get a better understanding of how I can improve?

thanks!  
Afraaz
